It is the responsibility of each Tenant to inform Queen Creek Marketplace Management of any employee(s) working after normal closing hours. This includes the employees of the business, as well as any contractors or others doing work for the business. Anyone found in a business after hours without notification to Management may be asked to leave the center. Anyone attempting to enter the center after hours without having obtained a permit may be denied access.

Contact the Property Manager for a copy of the **After Hours Permit** form or to submit a completed form. Once reviewed, an approved copy will be returned to you for your records.

If, for any reason, it is necessary to close your store during normal business hours, the Security Office must be notified prior to closing. Inventory will only be taken before or after regular store business hours, and you must notify the Property Manager at least 48 hours in advance.

02 » STOREFRONTS, SIGNS & DISPLAY WINDOWS

No signs or advertising collateral of any nature may be taped on the surface of the Tenant's storefront display windows or doors.

The interior and exterior of the Tenant's storefront, including glass, doors, signs, base molding and any other surface of the storefront, must be kept clean at all times.

Additional signs or advertising larger than 3" x 5" may be displayed within the storefront only if approved in writing by Queen Creek Marketplace Management. At no time will hand-lettered, non-professional signs or newspaper advertisements be displayed within (or attached to) the storefront.

Merchandise, signage or displays placed forward of the store closure line at any time must have prior written consent of Management. The store closure line is defined as your door frame.

Banners, A-Frames, Stanchions or Easels are not permitted in the common areas of the center without prior consent from the Management Office.

No tables, merchandise displays or other obstructions are to be placed at storefront entrances or beyond the store closure line without prior written consent of Queen Creek Marketplace Management.

Decals or other signage indicating product lines or credit card acceptability are not permitted on the storefront glazing.

Tenant display windows must be professionally merchandised. Merchandising of windows should be completed during non-operational hours.

All mannequins must be properly and completely attired, including shoes, and in a good state of repair at all times. Also, all props and displays should be kept clean and in a good state of repair at all times.

Queen Creek Marketplace Management requires that no strobes, flashing lights or video monitors be placed in storefront display windows. Video monitors may be used if approved by Management. Any illuminated or mechanical signing or displays within view of the public must have the prior written consent of Queen Creek Marketplace Management.

The Tenant will, at its sole cost and expense, maintain, repair and replace any broken, damaged, cracked or vandalized materials of the signs or display windows within a reasonable period of time. Work must be completed no later than seven (7) days after notification by Queen Creek Marketplace Management. Please contact Management Monday – Friday at **480.966.9338** or weekends at **602.866.0900** for assistance in finding a qualified contractor to perform such work if needed.

03 » STORE INTERIORS

The Tenant will maintain the Premises, at its sole cost and expense, in a clean, orderly and sanitary condition and free of insects and vermin.

Any illuminated or mechanical signing or displays within view of the public must have the prior written consent of Queen Creek Marketplace Management.

Pennants, banners or any other advertising shall not be suspended from the ceiling or interior walls within four (4) feet of the store closure line. The store closure line is defined by your door frame.

The use of helium balloons as a promotional aid is permitted only with the prior written consent of Queen Creek Marketplace Management and will be permitted for a limited time only.

Any damage to storefront and interior will be the sole responsibility of the Tenant and will be repaired within a reasonable time, but not later than seven (7) days after notification.

Management reserves the right to inspect the Premises without prior notification.

Tenants shall not maintain within the Premises any vending machines or video games of any nature except those permitted by the Tenant's lease.

Pertaining to the Tenant's initial or future construction or installations with the Premises and the Tenant's use and occupancy of the Premises, Tenant will, at its sole cost and expense, comply with all laws and ordinances, applicable rules, regulations and requirements. These requirements are set forth by the city, county, municipal, state, federal and other governmental authorities now in force or which may be hereafter.

The Tenant will, at its sole cost, install and maintain fire extinguishing and smoke detecting apparatuses as required by local regulations or the insurance underwriters. Tenants agree to inspect such equipment monthly and have all fire extinguishers professionally tested annually. Tenants shall not place any items in front of fire extinguishers and smoke detectors that would otherwise impede or block access.

04 » TRASH REMOVAL

Trash should not be visible during business hours. Do not use receptacles in the common areas within Queen Creek Marketplace. Dispose of trash only through the back of your store and into designated compactor locations. Trash must remain in the store until it is ready to be disposed of in the compactor.

The tenant is responsible to run the compactor after depositing trash. Once trash is loaded, slide the door closed, turn the key to lock the door and push the start button. The trash compactor will automatically turn off once the cycle is complete.

See Appendix A-1 to locate the closest trash compactor to your store.

Tenant trash may not be placed outside of the Tenant's Premises at any time. The common areas and service hallways are to be kept clear of all materials at all times. The Town of Queen Creek will impose citations, and all fines are the responsibility of the Tenant.

Note: Please direct questions and/or problems regarding the operation of the trash compactors to the Management Office Monday – Friday at 480.966.9338 or weekends at 602.866.0900. Tenants will be charged \$50 per hour for maintenance staff time and materials used in cleaning trash compactors and service units caused by Tenants' employees.

05 » RECYCLING PROGRAM

At Queen Creek Marketplace, we are committed to reducing our footprint and helping the environment, so we encourage Tenants to recycle their cardboard.

When recycling, do not place anything except for cardboard in the compactors. Trash, shrink wrap, plastic coat hangers and styrofoam are not accepted. Also, please make sure to break down all cardboard before placing it in the recycle compactor.

See Appendix A-1 to locate the closest recycle compactor to your store.

06 » MAIL SERVICE

Mailboxes are situated in clusters throughout the property. See Appendix A-1 for a map of mailbox locations.

There is no door-to-door delivery of mail. Mail will be delivered to the centrally located mailboxes and will not be delivered to individual locations. Tenants are solely responsible for the collection of their own mail. There are parcel boxes for packages that are too large to fit in the mailboxes. A key to a parcel box will be left in your mailbox for large packages.

For all mailbox assignments, please contact Property Management.

If you lose your mailbox key, please contact the Vestar Management Office Monday – Friday at 480.966.9338 or weekends at 602.866.0900. Please note, there is a rekey fee of \$40.

07 » TENANT DELIVERIES

Deliveries of any kind must be made to the rear door, if applicable, of the Tenant's space.

Service areas are to be used only for the active loading and unloading of merchandise or other materials. Service areas are not to be used for parking.

Violators will be subject to towing at vehicle owner's expense.

Deliveries requiring access through any plaza area must use a dolly with rubber tires to avoid damage to the hardscape. Steel-wheeled dollies are never permitted. All deliveries must be started and completed before or after shopping center operating hours. Deliveries must be completed between the hours of 4:00 am and 9:00 am or 9:00 pm to midnight.

It is the responsibility of the store manager to inform all delivery drivers of the proper procedures.

08 » ROOF HATCH ACCESS

If at any time, as a Tenant, a contractor for your store needs access to the roof of any building, please have the contractor follow these procedures:

1. Prior to receiving access, liability insurance naming the correct ownership entity as certificate holder will be required and must be provided at sign in by all contractors doing work at Queen Creek Marketplace. Please contact the Management Office for the insurance requirements Monday – Friday at **480.966.9338** or weekends at **602.866.0900**.
2. Person(s) needing access must contact Security at **623.806.0026**. »

3. The contractor/technician will leave a Driver's License with Security, as a security deposit.
4. Once all work is finished, the contractor/technician on the roof must contact Security to inform them that the roof work is complete.
5. Once it is confirmed that everything is closed and locked, Security will return the ID.

If you have any questions about the process to get roof hatch access, please contact Management Monday – Friday at **480.966.9338** or weekends at **602.866.0900**.

09 » EMERGENCY PHONE LISTING

Queen Creek Marketplace requires a listing of the Store Manager and the Assistant Store Manager complete with home and cell phone numbers as well as email addresses. This list will be used for emergencies only and will not be released to any outsider. Any changes of management personnel and/or contact information should be emailed to Queen Creek Marketplace Management.

10 » EMPLOYEE CONDUCT

Store employees shall conduct themselves in a professional and business-like manner at all times while on the Premises of Queen Creek Marketplace. Tenants shall not be permitted to execute nor shall tenants permit outside organizations to execute solicitations, demonstrations, vending, distribution of handbills or any other material to customers within the common areas of Queen Creek Marketplace. Additionally, Tenants will never place materials or allow outside organizations to place any materials on or in vehicles within the parking areas of Queen Creek Marketplace. Employees are also required to follow the center's Code of Conduct while working or visiting Queen Creek Marketplace. See Appendix A-2 for a copy of the Code of Conduct. Employees in violation of Queen Creek Marketplace's Code of Conduct can and will be trespassed from the center.

11 » PARKING

Customers of Queen Creek Marketplace should enjoy the best parking spaces available. Shoppers cannot shop your store if they are unable to quickly locate a parking space. Parking spaces are directly linked to shopping center sales. **Each parking space, on average, according to ICSC Shopping Center Resources, is worth \$1,000 per space, per day.** During the peak Holiday Season, this increases to between \$3,500 and \$4,500 per space, per day. Parking spaces are estimated to turn over 10 to 15 times per

day. Spaces that are employee-occupied for long periods of time contribute to a direct loss of revenue. Please keep in mind the regulations for employee parking on a daily basis.

Employee parking is designated as those spaces located on the outskirts of the parking areas. Employee parking will be enforced by Security. Your cooperation and consideration in this matter is expected and appreciated. Employees who do not follow the guidelines established by Queen Creek Marketplace will have their vehicles towed at owner's expense. If there are any changes to the designated employee parking location, Management will notify each Tenant accordingly.

Remember to always exercise caution when driving in the parking lots. Abide by posted signage within the property to maintain a safe environment for all drivers and pedestrians.

12» LOST AND FOUND

All items found within common areas at Queen Creek Marketplace will be held with Security and retained for 30 days.

Security is available 24/7 and can be reached at **623.806.0026**.

SECURITY PROCEDURES

01 » SECURITY STAFF RESPONSIBILITIES

Responsibilities of the Queen Creek Marketplace Security Staff:

1. To patrol all common areas, enforce center regulations, maintain a visible presence and keep a constant watch for persons committing or preparing to commit a crime.
2. To assist all customers and visitors at Queen Creek Marketplace with directions and information.
3. To administer minor first aid. Incidents requiring Emergency Medical Aid will be handled by the Town of Queen Creek Fire Department (911).
4. To conduct evening checks of all front doors. Managers will be notified of unsecured doors.
5. To report all occurrences of maintenance operational failures, hazards or vandalism to Queen Creek Marketplace Management.
6. To provide escorts to employees and customers upon request.

Security Officers responding to calls regarding shoplifters inside a store will inform the Store Manager to call the Town of Queen Creek Police Department if an arrest is to be made. Remember that 911 is for emergency use only; dial the Town of Queen Creek Police Department at 602.876.1011 for non-emergency matters. Queen Creek Marketplace Security Officers will remain in the store as an observer and keep the peace until the police arrive, leaving the investigation to the police officers and store personnel.

02 » TENANT RESPONSIBILITIES

Each tenant agrees that it will not keep anything in, upon or about the Premises which will violate Landlord's policies. Tenants are responsible for their own interior security, including shoplifting. Queen Creek Marketplace Security is provided to maintain peace and order in the common areas of the center. Security personnel will assist stores in emergencies involving potential bodily injury, store damage, etc. Problems arising within the store which require security assistance should be handled by calling Security at **480.955.8695**. An on-site Security Officer will respond. If a crime is being committed, your first call should be to the Queen Creek Police Department at **602.876.1011**. However, if the incident is a time-sensitive emergency contact **911** immediately.

It is also the responsibility of each Tenant to determine if any Security or additional Security Officers are needed to provide security or escorts for employees from their store to their vehicles. If additional security is needed, the Tenant should contract with Queen Creek Marketplace Security or with an outside agency for this service. Seven-day advance notice is necessary to provide extra Queen Creek Marketplace Security Officer(s). All costs involved in extra security will be the Tenant's responsibility. Contact the Director of Security at **480.955.8695** for information related to obtaining additional Security Officers.

03» EMERGENCY PROCEDURES

If you need the Police Department, Fire Department or paramedic assistance, call **911** immediately.

If you need assistance from Queen Creek Marketplace Security Officers, use the following procedure:

1. Call **480.955.8695** for assistance.
2. Give Security: Your Name, Store Name and Phone Number, Type of Incident, Brief Explanation
3. When explaining the problem, be sure to determine the urgency of the situation and inform the Officer (i.e. “This is an emergency.”) or ask an Officer to stop by the store at his/her convenience.

If at any time you have an emergency or need immediate assistance and need to be discreet about it, call Security at **480.955.8695**, state your store or restaurant location and ask for “**NORA**” or state “can you send Nora over to (store or restaurant name).” **NORA** stands for **Need Officer Right Away**. The Security Officer will ask you if the police need to be called and will immediately send a Security Officer to your location.

04 » BOMB THREATS

Unfortunately, bomb threat pranks have become increasingly common. The seriousness of an actual bomb threat may not be recognized due to the numerous pranks made by people who joke with our safety and security. If you are aware of anyone who has made a bomb threat, report him or her to the police. Because of the possibility of a prank, we ask that bomb threats be handled in a “low key” manner until authorities determine that a substantial threat exists.

A bomb threat is generally defined as a threat, usually verbal or written, to detonate an explosive or incendiary device to cause property damage, death or injuries, whether or not such a device actually exists. Typically delivered by telephone, or other telecommunication means, the great majority of such threats are intended to cause disruption, revenge or play practical jokes, rather than warning of real devices.

Bomb threats received by telephone or other means should be immediately reported to the Management Office and Security. Every effort should be made not to alarm customers or employees unnecessarily. Security and/or the Town of Queen Creek Fire Department will issue instructions for the proper procedure to follow.

In the event your store receives a bomb threat by telephone, remain calm and make every effort to obtain as much information from the call as possible, such as:

1. Exact location of the bomb
2. Time set for detonation
3. Description of explosive or container
4. Type of explosive
5. Reason for call or threat

The person receiving the call should also note such details as:

1. Date and time of call
2. Exact language used
3. Peculiar or identifiable accent
4. Estimated age of caller
5. Background noise such as vehicles, conversation, music, etc.

Every effort should be made to keep the caller on the telephone for as long as possible to obtain maximum information.

If Queen Creek Marketplace notifies you of a bomb threat:

1. Follow the instructions of the police, Queen Creek Marketplace's staff and your store's policies. »

2. Depending on the circumstances, a detailed search of the store may be requested. Since you and your staff know your store better than the police, you may be asked to assist in the search.
3. If any suspicious items are found, do not touch them. Notify the police and Security immediately.
4. Be ready to evacuate if necessary.

05 » ACTIVE SHOOTER POLICY

We hope to never deal with an Active Shooter situation, but please familiarize yourself with these safety procedures in case of this highly unlikely emergency.

An Active Shooter is an individual actively engaged in an attempt to kill people in a confined area. Active Shooter situations are often over within 10 to 15 minutes, before law enforcement arrives on the scene, so it is important to be prepared. Always be aware of your environment and nearest exits.

How to respond to an Active Shooter situation:

1. Evacuate
2. Hide out
3. Once you are safe, call **911**

If you are in an enclosed area during an Active Shooter situation, and it is not safe to escape, get into a room and secure the door. If you are in a walkway, and it is not safe to escape, get into a building and secure the door. When you have reached a safe location, call **911**.

Once in a safe hiding place, silence your cell phone and turn off any source of noise. Remain quiet and hide behind large items, if possible.

Do not attempt to move wounded people.

When Law Enforcement arrives:

1. Remain calm
2. Put down any items in your hands and keep your hands visible
3. Follow Law Enforcement instructions

06 » ACCIDENTS, INJURIES & ILLNESSES

Incidents occurring within the store's Premises should be handled in accordance with the procedures established by the store. Incidents occurring within the common areas (including service areas and parking areas) should be reported to Security immediately at **480.955.8695**. Appropriate action will be taken. As a rule, do not attempt to move an injured person.

07 » LOST PERSONS

If a person is reported to you as being lost, notify Security immediately at **480.955.8695**. Please be prepared to share a detailed physical description of the lost person, including approximate height, weight, age, hair and skin color, along with the clothing the person was last seen wearing.

MAINTENANCE

This includes storefronts, utility meter, pipes and conduits, plumbing fixtures, lighting fixtures, light bulbs, interior air duct system and HVAC systems (including monthly filter changes), storefront signs, locks, window frames, doors, floor coverings and any other fixtures or items within the store. You must submit, at minimum, monthly HVAC inspection reports/work orders to the Property Manager.

Should the center's electrical, air conditioning or fire protection staff be called in to troubleshoot a problem, the Tenant must sign a work order to pay for labor and expenses if the repair or non-functioning item(s) are the Tenant's responsibility.

Note: Unless otherwise specified, Tenants will be charged for maintenance staff time and materials used in correcting or attempting to correct a problem that is the Tenant's responsibility. Current rates are \$50.00 per hour or any fraction thereof.

Tenants shall not use, nor permit the Premises to be used, for any purpose other than as specified within the Tenant's lease. Also, Tenants shall not use nor permit the Premises to be used in any way that will injure the reputation of Queen Creek Marketplace. Nor shall the Tenant permit the Premises to be occupied in whole or in part by any other person, except as permitted under the Tenant's lease.

04 » FIRE PROTECTION & PRECAUTIONS

Fire protection and precautions are a joint responsibility of Tenant and Landlord. General rules regarding fire protection and some of the precautions to follow are:

1. Tenants will install and maintain any fire extinguishers, apparatus and signs required by local, state, and federal regulations and/or the requirements of the insurance underwriter.
2. Each Tenant must have at least one fire extinguisher that is accessible and on the Premises at all times. It is to be tested and recharged annually. »

3. Sprinkler systems are required by NFP (National Fire Protection) 25 - 5.2.1 to be inspected annually. Alarm devices are to be inspected quarterly per 5.2.6. Please forward a copy of the test results to the Property Manager.
4. Tenant will comply with all recommendations of any public or private agency having authority over insurance rates with respect to the use or occupancy of the Premises.
5. Building displays and stocking of merchandise will be done in a manner that will allow at least 18" of clearance from the sprinkler heads, 3' from all electrical panels and nothing stacked on top of the electrical transformer within the Premises according to Fire Codes.
6. Housekeeping will be performed in such a way as to promote maximum fire protection.
7. Many doors are controlled electronically and may not be blocked or held open.

General Rules to follow in case of fire or smoke:

1. Call **911**.
2. Call Security at **480.955.8695**.
3. Taking the proper safety precautions, utilize all available firefighting equipment to extinguish the blaze.
4. Direct all customers to immediately leave the Premises.
5. If possible, Tenants should close their doors before leaving, to prevent smoke or fire from spreading into the center.

05 » SOUNDS & ODORS

Sounds and/or odor shall not emanate from the Tenant's Premises at any time.

06 » MOLD REMEDIATION

If mold is identified within the Tenant's Premises, the Tenant must take immediate action to remove mold. Tenant must notify Management Monday – Friday at 480.966.9338 or weekends at 602.866.0900 of mold issues immediately for inspection.

07 » PEST CONTROL & INSPECTION

Tenants must take immediate action to remove any infestation as soon as it is identified within the Tenant's Premises. It is the Tenant's responsibility to perform pest control maintenance within its Premises. Queen Creek Marketplace's Management will contract for pest control in the common areas. You are required to submit monthly pest elimination reports/work orders to the Property Manager.

MARKETING

01 » MARKETING OVERVIEW

The Marketing Department at Queen Creek Marketplace administers the marketing budget for the property. The department's responsibilities include public relations, community relations, advertising, market research, the center's website, social media efforts, special events, Tenant relations and sales promotions. Throughout the year, your store will be contacted for participation in important programs designed to increase your sales and traffic, many of which are completely free. Marketing activity is year-round but most active during key shopping periods, such as back-to-school and the holidays.

Queen Creek Marketplace's advertising buy is comprised of a strategic, multi-medium mix of online and print. Special events and sales promotions are conducted to maximize traffic, sales and buyer conversion. Additionally, the Marketing Department maintains non-profit partnerships in an effort to increase community involvement in the center. Also, the Marketing Department creates ongoing partnerships for gift-with-purchase and enter-to-win promotions aimed at rewarding and engaging shoppers and diners. Public relations supplement the Marketing Department's efforts to help spread the word about the center's happenings.

For a more comprehensive outline of the center's marketing strategy, activity calendar and other marketing opportunities, please refer to the marketing handbook provided to your store by the Marketing Department. Additionally, tenants are invited to schedule a meeting with the Marketing Department

03 » LEASE REQUIRED ADVERTISING

Many tenants have LRA (Lease Required Advertising) clauses within their lease. LRA Tenants pay automatic, additional monthly marketing fees and receive signage and digital exposure opportunities within the center as a result. If you are an LRA tenant, you can select four options per year by submitting an LRA Form. Please refer to Article 29C of your lease agreement to determine if you are an LRA Tenant. If you are not an LRA Tenant, you may purchase advertising options through the Marketing Department. Contact the Marketing Department at **480.513.7586** for additional details.
