

GATEWAY TOWNE CENTER Marketing

01. MARKETING OVERVIEW

The Marketing Department at Gateway Towne Center administers the marketing budget for the property. The department's responsibilities include public relations, community relations, advertising, market research, the center's website, social media efforts, special events, Tenant relations and sales promotions. Throughout the year, your store will be contacted for participation in important programs designed to increase your sales and traffic, many of which are completely free. Marketing activity is year-round but most active during key shopping periods, such as back-to-school and the holidays.

Gateway Towne Center's advertising buy is comprised of a strategic, multi-medium mix of online and print. Special events and sales promotions are conducted to maximize traffic, sales and buyer conversion. Additionally, the Marketing Department maintains non-profit partnerships to increase community involvement in the center. Also, the Marketing Department creates ongoing partnerships for gift-with-purchase and enter-to-win promotions aimed at rewarding and engaging shoppers and diners. Public relations supplement the Marketing Department's efforts to help spread the word about the center's happenings.

For a more comprehensive outline of the center's marketing strategy, activity calendar and other marketing opportunities, please refer to the marketing handbook found in the tenant newsletters. Additionally, Tenants are invited to schedule a meeting with the Marketing Department to learn about more opportunities to get involved in the center's marketing efforts. The Marketing Department can be reached through the Management Office at (562) 938-1722.

Note: If, at any time, you wish to use the Gateway Towne Center logo, you must receive prior approval from the Marketing Department.
